The County of Los Angeles has received its funding allocations for the Workforce Investment Act (WIA) Adult, Dislocated Worker and Youth Programs for Fiscal Year (FY) 2003-04. They are as follows:

	2003-2004	<u>2002-2003</u>	<u>Difference</u>
WIA Adult	\$11,561,215	\$14,321,634	(2,760,419)
WIA Dislocated Worker	\$ 9,666,736	\$11,790,440	(2,123,704)
WIA Youth	\$13,335,307	\$17,400,560	(4,065,253)

The 2003-04 allocations include funding reductions across all formula programs. Since funding allocations to the County have been reduced from the State, the County will reduce its allocation for FY 2003-04 for those service providers recommended for funding.
